

Martyn Lane **Golf Signs**

Quality Signage  Golf Course Accessories

GLENEAGLES
SCOTLAND

PAR YDS

The home for golf course signage and accessories

“

Over the past few years Martyn Lane Golf has provided Gleneagles with some bespoke hardwood products for our golf operations. Products such as bag stands, starter podiums, range dividers and last year provided the cast bronze mow over tee markers for The PGA Centenary Course.

”

Scott Fenwick
Gleneagles, Scotland

Our aim at Martyn Lane Golf is to give the customer a quality product delivered on time, on budget with a service second to none.

With over fourteen years working in the golf signage industry, we will advise and work closely with you to ensure you are supplied the correct sign that blends in with your surroundings, creating a professional corporate look. Not only will they do a great job for years to come

but will be something both us and more importantly you the club will be proud of.

We have carefully selected our working partners as experts in their own fields giving you total confidence in all our products we supply to you. Our team of fully skilled joiners have been providing hardwood joinery since 1985, our signs will grace any course.

We are always happy to look at any bespoke signs you may require.

We use a range of materials that include hardwood, aluminium, composite, etched zinc, cast alloy, cast bronze, cast coat, stainless steel, granite and recycled plastic.

We look forward to welcoming both old and new customers to the new home of golf course signage.

Listed below are some examples of our most popular signs available:

- Point of play markers
- Mow overs
- Free standing or wall mounted car park signs

With these continually testing times the need to create a strong brand image is paramount. Signage that welcomes your members and equally your guests and societies to the club giving them clear direction to the clubhouse, hotel, changing rooms, pro-shop and reception is so important. Their visit needs to be a memorable one for all the right reasons, to make sure they not only return to visit you again but recommend you to other golfers as a venue they must visit. Most of our signage lends itself to be sponsored and information and event signs are highly popular, with sponsors from local business to sections and members within the club. These bespoke signs can be a real focal point again for member and visitors alike.

Here in our latest brochure is a small selection of signs and accessories we have to offer you.

At Martyn Lane Golf we pride ourselves in looking after you each and every step of the journey, from deciding which product is right for you to delivering it to your club.

But don't just take our word for it, here are what some of our customers had to say about us...

“ At Glenlo Abbey we have received many compliments with regard to our new course furniture. I would not hesitate to recommend Martyn's work to any golf club. I found the company extremely professional and helpful throughout our dealings. ”

Gary Madden
Glenlo Abbey

“ Adare Golf Club located in the grounds of Adare Manor Hotel recently commissioned the services of Martyn Lane Signs to design and manufacture new tee signs, a course information board and customised directional signs for the golf club. Since our initial conversation through to delivery Martyn and his colleagues have been the consummate professionals and the products that we have purchased are of outstanding quality, members and the general playing public have commented on the clarity and quality of the new signs. Martyn's signs are very much a welcome addition to the landscape of Adare Golf Club. Many thanks for a superb product. ”

Alan Mac Donnell
Golf Course Superintendent, Adare Golf Club

OUR MATERIALS

Hardwood Slim Line Tee Posts

We use Iroko Hardwood finished with a micro porus oil for all our hardwood products unless stated. This allows the wood to move and breathe naturally, making yearly maintenance a simple task to re-oil and give you years of great service.

Lacquers and varnishes will crack and flake in time, causing a major headache to maintain.

Our most popular single post with inset twin laminated composite plate. Separate plate for the stroke index or sponsor, giving greater flexibility. The post has top recess which can be painted to designated tee colour.

Stand post with single inset composite plate painted top band.

We also offer a 3 plate option to allow for either a separate logo, hole number or sponsor plate.

Ground socket fixings for all single post wood or recycled.

Understated post with inset etched zinc plate with sanded finish.

Our standard post with inset etched zinc single plate with rolled gold finish and painted top recess band..

For all enquiries please phone: **07766 688549** or visit: www.martynlanegolfsigns.co.uk

Hardwood Post Tee Signs

These superb signs give clear information making it easy for visitors and members alike and are a very popular choice for sponsorship projects.

A stylish large flat top sign with attached granite effect composite panels combined with bespoke engraving to each hardwood post.

Iroko hardwood single post with tee sign suspended from the hardwood arms, other shapes and sizes available.

A medium arch top with inset composite main panel and composite sponsor panel attached to the bottom panel.

A medium arch top with blue granite effect laminated vinyl with 3D bevel effect text.

A large peaked top with composite panel. Lower hardwood rail ready for sponsor plate.

Tee sign / course information sign combined. With changeable message panels, sponsor panel and start times.

One of our most popular tee signs for corporate sponsorship is this large peak top with attached composite panel.

Hardwood Augusta log & 1/2 log point of play markers to match in with your tee signs. Plain or logos located on ends available.

150 yard marker posts with engraved text and inset composite panel.

For all enquiries please phone: **07766 688549** or visit: **www.martynlanegolfsigns.co.uk**

Hardwood General Information / Car Park Signs

A few examples of each are shown, many more options available.

Twin posted flat top with inset composite panel (other top options available).

Medium general information sign with inset composite panel (other sizes available).

Small arch top sign. Twin posted with attached composite panel.

Hardwood single post with arch top frame, with inset etched zinc logo and attached A3 locking cabinet.

Wall mounted with inset laminated panel.

Hardwood frame with composite panel (other sizes available).

Twin posted medium arch top with inset composite panel. Engraved logo to top. Other sizes available.

Peak top with inset composite panel with attached clock.

Twin posted flat top with inset composite panel (other top options available).

For all enquiries please phone: **07766 688549** or visit: **www.martynlanegolfsigns.co.uk**

Hardwood Course Information and Finger Post Signs

The course information and event boards become a real focal point at the club and are a very popular sign to get sponsorship on.

Wall mounted hardwood frame peak top with inset composite panel. Twin rail sliders for message panels.

Large peak top course information sign with A3 size locking cabinet for notices and 6 changeable message panels (can be double sided).

Peak top large sign with clock, 8 changeable message panels and sponsor panel.

Arch top medium course information with 6 double sided message panels.

Large arch top sign with A3 size locking cabinet, course map, 6 changeable message panels and sponsor panel.

Large peak top course information sign with clock and A3 size locking cabinet for notices. 6 changeable message panels (can be double sided).

Our standard post with inset etched zinc plates. Pointed finger ends.

Our standard post with engraved lettering and inset panel for logo.

Our standard post with inset laminated composite panels. Curved finger ends.

Hardwood Entrance Signs

A small selection of signs shown here, there are various shapes and sizes available and can be bespoke to your requirements.

1. Large peak top twin posted sign with inset laminated composite panel.
2. Hardwood frame with inset laminate composite panel mounted to the clubs original stantions.
3. Large size flat top twin posted with laminated composite panel.
4. Large arch top wall mounted sign with attached laminated composite panel.

Recycled Plastic Signage

A small selection of our most popular recycled products. An effective and durable signage option.

1. Angled stump with composite panel option with separate stroke index plate or angled stump with full composite panel (both with granite effect).
2. Angled stump with twin plate etched zinc option (separate stroke index plate option shown).
3. Recycled point of play markers.
4. Single post with laminated composite panels attached.
5. Full and half logo markers.

For all enquiries please phone: **07766 688549** or visit: www.martynlanegolfsigns.co.uk

Bespoke Products

We will work closely with you on any bespoke products you may require. Here are a few examples we have produced. Our team of joiners and fabricators will make sure we produce a sign or product we can both be proud of for years to come in both hardwood and aluminium.

Iroko hardwood club washer and matching litter bins.

Iroko hardwood litter bin with matching cool box.

Iroko hardwood single bag stand with granite inset with club logo.

Hardwood Driving Range bay dividers with composite panel showing logo to each end.

Iroko hardwood free standing arch top with inset composite panel and engraved to top panel.

Hardwood litter bin.

Iroko hardwood 6 bay bag stands with inset logo ends (other sizes available).

Iroko hardwood starter podium.

For all enquiries please phone: **07766 688549** or visit: **www.martynlanegolfsigns.co.uk**

Corporate Products

Here are a few examples of corporate signage we can offer from simple banners which are a very effective and economical way of promoting your event, the very flexible pop up roller banner along with some driving range bay divider sponsorship boards, this advertising / sponsorship in the driving range is proving to be as popular as it is on the tee signs.

1. Composite bay sign with laminated graphics applied.
2. Composite panel with graphics applied.
3. Banner with graphics applied, various sizes available.
4. Telescopic sign with A3 top frame for notices.
5. A range of flags are available in different sizes and shapes.
6. Roller banner with printed graphics, various sizes available.

Granite, Cast Bronze & Cast Coat

Our cast bronze or granite mow over markers are both very durable and low maintenance. They can be set straight into the ground or can be mounted into a sandstone plinth. The cast bronze will change colour in time, all adding to the plates character. The cast coat product is a great option for superb detailed signs such as contemporary plaques, feature holes, logos etc.

1. Cast bronze mow over tee markers.
2. Granite stone with cast coat logo attached.
3. Granite mow over with sandstone plinth.
4. Cast bronze mow over with sandstone plinth.
5. Cast bronze plaques.

For all enquiries please phone: **07766 688549** or visit: www.martynlanegolfsigns.co.uk

Hotel, Restaurant & Pub Signage

Bespoke wall bracket with rustic hardwood frame. Composite inset panel with laminated printed vinyl graphic applied. Vinyl text applied to shop fascia.

Brushed aluminium / composite hanging sign with black vinyl applied

Small door style, brushed aluminium slat sign with black vinyl applied

“

We had worked with Martyn for our shop signage so when we wanted something bespoke for our first restaurant venture we approached Martyn again knowing our working relationship would allow us to explore our idea's from a parisian looking bistro and actually getting the result we wanted .

We are delighted with the look and would be happy to recommend Martyn's Service , he is always prepared to go the extra mile for you. ”

Jan & Bev Wheatley
Frou Frou Restaurant

“

Martyn Lane Golf Signs are a fantastic company which we have used for many years. The staff cannot do enough for their customers, and their aftercare is second to none. The service is great value for money and we would highly recommend them to any business. ”

Oli Bastian
Marwell Hotel

Score Cards & Hole Plans

We work closely with Birdie Golf for all score card and course guide enquires.

For all enquiries please phone: **07766 688549** or visit: www.martynlanegolfsigns.co.uk

Clocks

Fairway Markers

Practice Nets

For all enquiries please phone: **07766 688549** or visit: **www.martynlanegolfsigns.co.uk**

We work with a vast range of materials for our signage, from cut vinyl to cast bronze. We have developed a granite effect laminated vinyl with bevelled effect text, this is not only very durable and cost effective, it really does look the part. It is available in a range of colours and is proving to be very popular for all sorts of signs from single tee posts right through to course information signs.

We are working on other effects so please talk to us about your requirements

1. Composite aluminium with granite effect laminate applied bevelled effect text (range of colours available). Other effects now available. Call us for details.
2. Engraved hardwood with infilled text with inset sanded silver finish zinc logo.
3. Etched Zinc: A well proven and liked material, this is painted and finished in house to a very high standard. Sanded top silver finish.
4. Etched Zinc: A well proven and liked material, this is painted and finished in house to a very high standard. Rolled gold top finish.
5. Laminated Composite: Our most popular choice offering durability with our 7 year exterior vinyl but also flexibility as the vinyl can be changed in the future should this be requested.
6. Blasted and infilled granite.
7. Engraved and infilled stainless steel.

Maintenance

Most of our composite panels with laminated vinyl graphics applied require a simple wipe off with soapy water when dirty, with etched zinc care must be taken not to scratch or chip the painted finish as this will in time lead to an eventual breakdown of the surface, it can be cleaned with a soft cloth or sponge but no abrasive material must be used.

Make your signage...

**DRIVE
A STEADY
SECURE INCOME
TO YOUR
CLUB**

...work for your club!

With so much competition in the golf market, clubs are coming under pressure to create extra revenue to support the club. Using the venue for weddings or corporate conferences etc are all being considered. Sign sponsorship is another great way to create a steady form of income for the coming years.

We have worked with many clubs on their sponsorship projects, helping with forms, giving examples and using the sales expertise we have to help them secure their sponsorship.

If you would like to see how your new tee signage, course information or event board projects can bring extra thousands to your club then please call us today.

Remember nothing is for **free** it could be costing your club thousands of pounds in lost revenue.

Don't let this valued asset go to waste!
